Defining 5 ICPs (Ideal Customer Profiles)

1. ICP – 1 Engineering Firms:

➔ Companies that handle engineering projects, consulting, construction planning, industrial projects, or technical operations.

- Industries:
 - Civil Engineering
 - Mechanical Engineering
 - Industrial Engineering
 - Construction
 - Engineering Consulting
- Locations:
 - UAE
 - Saudi Arabia
 - UK
- Company Size:
 - 20–500 employees
- Target Roles:
 - Operations Manager
 - Project Manager
 - Engineering Manager
 - Managing Director
 - Technical Operations Manager
- Pain Points:
 - Project coordination
 - Approval workflows
 - Procurement processes

- Quotation handling
- Reporting and documentation
- Communication between teams

2. ICP 2 — Legal Firms:

➔ Companies that provide legal services such as contracts, legal consulting, corporate law, and client representation.

- Industries:
 - Legal Services
 - Law Firms
- Locations:
 - UAE
 - UK
 - Saudi Arabia
- Company Size:
 - 10–200 employees
- Target Roles:
 - Managing Partner
 - Lawyer
 - Legal Operations
- Pain Points:
 - Repetitive document workflows
 - Contract generation and approvals
 - Client intake processes
 - Email overload
 - Appointment scheduling
 - Manual follow-ups

3. ICP 3 — Recruitment Agencies / Headhunters:

➔ Companies that help businesses hire employees and manage recruitment processes.

- Industries:
 - Staffing & Recruiting
 - Human Resources Services
 - Executive Search
- Locations:
 - UAE
 - UK
 - Saudi Arabia
- Company Size:
 - 5–100 employees
- Target Roles:
 - Recruitment Manager
 - Talent Acquisition Manager
 - Agency Founder
 - Operations Manager
 - Senior Recruiter
- Pain Points:
 - Candidate screening
 - Interview scheduling
 - Follow-up emails
 - CRM updates
 - LinkedIn outreach
 - Managing candidate pipelines

4. ICP 4 — Audit & Accounting Firms:

➔ Companies that provide accounting, bookkeeping, auditing, tax, and financial consulting services.

- Industries:
 - Accounting
 - Financial Services
 - Auditing
- Locations:
 - UAE
 - Saudi Arabia
 - Qatar
- Company size:
 - 10–200 employees
- Target roles:
 - Accounting Manager
 - Audit Manager
 - Finance Operations Manager
 - Managing Partner
 - Office Manager
- Pain points:
 - Invoice processing
 - Spreadsheet-heavy workflows
 - Financial reporting
 - Client onboarding
 - Document collection
 - Approval workflows

5. ICP 5 — Real Estate Agencies:

➔ Companies that sell, rent, or manage properties and communicate with buyers, tenants, and investors.

- Industries:
 - Real Estate
 - Property Management
- Locations:
 - UAE
 - Saudi Arabia
- Company size:
 - 10–150 employees
- Target roles:
 - Sales Manager
 - Operations Manager
 - Agency Owner
 - Property Manager
 - CRM Manager
- Pain points:
 - Lead follow-up
 - WhatsApp communication
 - Scheduling property visits
 - CRM management
 - Repetitive customer communication
 - Manual lead tracking

6. ICP 6 — Educational Institutions / Coding Academies:

→ Schools, universities, training centers, and coding academies that teach students programming, technology, or professional skills.

- Industries:
 - Higher Education
 - Education Management
 - E-learning
 - Professional Training & Coaching

- Coding Bootcamps
- Locations:
 - UAE
 - Saudi Arabia
 - Qatar
 - UK
 - Lebanon, optional if Rawad wants local leads
- Company Size:
 - 20–500 employees
- Target Roles:
 - Dean / Head of Department
 - Program Director
 - Academic Coordinator
 - IT Manager
 - Training Manager
 - Founder of Coding Academy
 - Curriculum Manager
- Pain Points:
 - Students need more guided coding practice
 - Teachers spend time correcting repetitive coding mistakes
 - Lack of interactive learning tools
 - Manual grading and feedback
 - Difficulty tracking student progress
 - Need for AI-assisted learning platforms
 - Need for internal tools like coding IDEs, quizzes, and practice dashboards
